Enrollment 1220 In 2 High Schools

Total enrollment of 1220 students in the two high schools of the Acalanes district was reported by Superintendent Neil M. Parsons at Tuesday night's meeting of the district board, at Acalanes High School.

As of the second day of school, enrollment figures showed 1075 at Acalanes and 145 at Las Lomas, Parsons said.

"We had expected a total of around 1200," he stated. "There will undoubtedly be more students during the next week."

The board discussed plans for an addition to the boys' locker room at Acalanes, but no action was taken.

According to Parsons, financing of this project will come from the $245,000 in district bonds which the school board is asking the County Board of Supervisors to sell.

Other projects planned for financing with this bond-sale money are jobs at the new Las Lomas High School — construction of an additional wing and grading of the athletic field and track.

More than 10,000 visitors and Lafayette residents are expected to attend one of California's most colorful community activities here tomorrew — the third great annual Westival, from 1 p. m. to midnight at Acalanes High School.

Hundreds of local women and scores of merchants have been working for months to prepare the five big live shows and the 25 booths, games and rides.

County to Consider Law to Control Poker Parlors

Supervisor Jack Cummings told a group of area leaders and other interested persons Wednesday night that he will ask the district attorney to draw up an ordinance for control of draw poker parlors. This could be done by licensing social clubs.

At the same time, however, Cummings stated that he would not promise to vote for such an ordinance.

"That's an unfair question," he said at Lafayette Town Hall, in answer to a query from Harold Furst as to whether he would vote for a control ordinance. "I can't commit myself until I see the ordinance."

The Town Hall gathering had been arranged by President W. B. Scarborough of the Lafayette Improvement Association, in an effort to see if something could be done to end the draw poker-"social club" threat to Lafayette and other unincorporated sections of the county.

During the informal discussion, Cummings said that the Lafayette area is the only section of the county which has ever made any objections to draw poker parlors.

"IF A VOTE WERE taken, we might all be surprised at the number of people in favor of poker parlors," he said. "There are a lot of people in Lafayette, and they might have different opinions."

Cummings agreed, however, that poker parlors do not belong in a community like Lafayette.

Supervisor Ray S. Taylor, who was also in attendance, said little, but at one point he remarked that to the best of his knowledge the people of his district were not opposed to draw poker parlors.

KIRK MILES said he had not yet had an opportunity to consult his organization, the Orinda Association, about the problem, but said he was sure it would be opposed to such establishments.

Last month, the Orinda Association's Civic Affairs Committee urged the association board to express opposition to poker clubs, but the board did not hold an August meeting.

Cummings showed the group a copy of a letter he had written to District Attorney Francis W. Collins and Collins' reply.

The letter to Collins asked (1) if the supervisors could pass a ban on poker clubs for the Lafayette area only and (2) if the supervisors could pass an ordinance "which would regulate poker clubs so that it would be in the discretion of the Board of Supervisors as to where poker clubs should exist,"

COLLINS REPLIED that the county board cannot outlaw draw poker clubs for only one section of the county — "laws of this nature must be general in their application." However, the district attorney continued:

"The Board of Supervisors can pass an ordinance limiting the number of poker clubs which can operate within the county and requiring that an application must be made to the board and a license granted to the various locations for the clubs.

"The only limitation on this would be, of course, that the board cannot act in an arbitrary or capricious manner. The board's denial of an application for draw poker clubs in various vicinities would have to be passed on some reasonable ground."

THOSE PRESENT, in addition to Cummings and Scarborough, included Supervisor Ray Taylor, President Kirk Miles of the Orinda Association, President Dick Prokop of the Gregory Gardens Improvement Association, President William Bouick of the Saranap Improvement Association, a representative of President Sanford Terry of the Pleasant Hill Improvement Association, and Secretary Fred Peglow of the Lafayette Chamber of Commerce.

Several Lafayette Improvement Association directors were in the score of persons at the meeting — Richard Alpen, Harold Furst, H. William Werner, Forrest Rhodes, Milton Adair and Jack Pedder.

Among others present were James Moore, Colonel M. M. Garrett, H. T. Lynn of Orinda who is a member of the County Grand Jury, and Dick Graves of the California League of Cities, who was present as an interested Lafayette resident.

'Short' in Light Sets Grass Fire

A "short" in the wiring of a marine light outside the G. W. Miller home at 30 Los Cascadas is believed to have caused a brush and grass fire there last Friday night, according to Acting Fire Chief Al Winsor.

The blaze was quickly put out by the fire department, and the only casualties were a small area of brush and grass and two pine trees.

On Tuesday evening an Orinda fire truck, with Winsor in the chief's car, went to the aid of the Lafayette department in its fight against a small brush fire on Charles Hill.

Hope for Action By Next Month On New HS Site

Superintendent Neil M. Parsons of the Acalanes High School District stated this week that the district board hopes to have "some action" on the contemplated high school site in Moraga Valley by the time of the next board meeting October 9.

The 52-acre parcel, owned by the Moraga Company, is between Orinda and Moraga, about three miles south of Orinda Crossroads and west of the creek which is parallel to Moraga Highway, on the west of the road.

County Planning Commission approval of the site was granted the board last month.

Parsons said that no talks have been held recently on the subject with the Moraga Company because "quite a few" of the firm's key people have been away on business trips.

"We may get some action by October," he said. "We're hoping to have something by the time of our next board meeting."

The superintendent said the district officials are "thinking in terms of about five years from now — 1956" — for an opening for the third high school.

No Next-Morning Letdown in Recalling Luau's Exotic Food, Fun, Diving Girls

By EDITH BOLMAN

Written Sunday morning, September 9.

Woo Wow! What a Luau! The Children's Hospital benefit party last night at the Jeltons was really something! We realize it particularly as we sit here gazing forlornly at our slightly beat-up plumeia lei and our bashed-in gardenias.

Such a beautiful party, though—lighted by torchlight, scented by gardenias, decorated by orchids, ginger, lau-hala, bird of paradise and a dahlia that was at least two axe-handles across.

And another thing—we are looking all over town for a five gallon tin can! By slapping one on the sides with a flat hand and by singing and dancing and jumping and laughing all at the same time, you can create the most alluring sounds, and it looks like more darn fun. Of course, Trader Vic is an expert at such maneuvers, so he was a sensation, particularly when accompanied by a guitar, an amplified steel guitar, and a bass viol.

THEN THE AQUACADE — the men and maids of the Athens Club dived, danced, jumped, leaped, stepped and toppled into the pool in various formations—some funny, some impressive and some downright beautiful. After all, what could be prettier than girls diving into a lighted pool with a flock of orchids floating on top!

And by contrast—Pigs is Pigs—no matter what you might think to the contrary. The ceremonial pig (and nine of his friends and innumerable bunches of baking bananas) came out of the roasting pit to the tune of chanting voices, beating drums and swaying hips. (Why those hula dancers didn't fall in on top of the pigs we will never know.)

EVERBODY LINED UP at tables and loaded their plates with Trader Vic's best Tahitian Luau food and sat themselves down at tables decorated with tapa cloth, fresh pineapples and bananas flown in that morning from Hawaii—and emulated the porkers!

During dinner the dancers and musicians entertained, and after dinner they were joined by the more agile guests, and everybody had a gay time.

At this point we would like to retract every unkind remark we have ever made about the weather! After a whole week of inclement (that same old "unusual" business) weather, Olympus (or whoever it is who controls that situation) turned on the heat, and the night was perfect.

Trader Vic, who saw to it that 10 little pigs never got to the market; United Air Lines for flying in the flowers and pineapples and bananas on stalks the morning of the party; Flowers of Hawaii for the orchids; Crosley Associates, who gifted us the flowers and leis and fern crowns for the men; Hawaiian Pineapple, Ltd., for the fresh pineapples; Hawaii Visitors Bureau for the ti leaves; Belfast for the sparkling water; Folgers for the coffee, and Matson Line for the menu covers.

NOTE ABOUT THE hard-working committee:

Mrs. Woodburn K. Lamb was general chairman of the affair, Mrs. William Foster in charge of tables, Mrs. Thomas Telfer, tickets; Mrs. Frank Fee, decorations; Mrs. Edmund Cardin and Mrs. Emmett Kilpatrick, refreshments.

Cleanup: Everybody in the Orinda Branch and their husbands and children, so we have to hurry along now over to the Jeltons and start waving the mops and the brooms.

Local Alumnae Busy with Plans For Mills Ball

Plans are nearing completion for the Mills College Centennial Ball, to be held September 29 at the Palace Hotel in San Francisco for the benefit of the college, and Orinda Mills Club members are very active in the preparations.

The affair, which will be attended by more than 1000 alumnae, friends, trustees and students, will launch a year-long series of festive events celebrating the college's 100th anniversary.

Antonio Sotomayer, widely-known San Francisco artist, is planning murals which will transform the Rose Room, Concert Room and Ball Room into replicas of early San Francisco scenes.

LOCAL MEMBERS of Mills Alumnae Association who are co-chairmen include Mrs. Herbert Von Colditz, Lafayette, tickets and invitations, and Mrs. DeWitt W. Krueger, Walnut Creek, decorations. Mrs. Blaker Herod, Mt. Diablo, is also on the committee.

Orinda members planning to attend are Messrs. and Mesdames Stuart Henderson, Ben Randall, Russell Gilwee, Del Fager, Richard Copenhagen, Harry Booth, Kirk Miles, Tom Cooper, Ted Sanford, Luther Gulick and Tom Nicholl.

Anyone interested in attending this affair should get in touch with Mrs. Del Fager for reservations.

THE SEPTEMBER BUSINESS meeting of Orinda Mills Club will be held next Thursday, 8 p. m., at the W. J. Cunningham home at 46 Charles Hill Circle.

A children's Hallowe'en party will be planned that night. Members are asked to come with suggestions and favor ideas.

Chit and Chat about Don and Donna

By MARY THIES

BY THIS TIME the novelty has worn off school — now it's just something that is to be tolerated, and that's all.

Really, though, it isn't too bad. There's always football games, dances, etc., to take your mind off of school work.

AS A FINAL FLING before school started, Jane Rogers spent 10 days at Lake Tahoe. She visited State Line and saw Ted Lewis at the Cal Neva.

Gail Smith seems to like Baja California. She spent all summer there and plans to return next year.

Richard Tompson has just returned from his vacation. He toured the United States and Canada.

Jane Rogers and Jerry Ortland were seen recently at Pat Ortland's wedding (Jerry's sister). Ronny Ortland was also present.

The Pee Wee Golf Course in Oakland has always been popular with Acalanes students. One foursome that enjoys it is Tom Tilton, Linda St. Hill, Eric Murray and Kaylin Daily.

JAYNE KIRK and Jackie Irving spent one day at the California State Fair.

Over Labor Day, both Tom Morrish and Art Siler went hunting. It looks like Tom had a little bettime.
ter luck that Art. He got two deer and Art got none. Better luck next

I'll be back next week with some news about the beginning of school.

LOOKS LIKE A PICNIC — and that's what it was. This enterprising experiment in transportation occurred at the recent picnic party for members of Acalanes Chapter of the Daughters of the American Revolution, at the Woodland Lodge estate of Mrs. Harvey B. Manzanita's 'Hole-in-1' Contest At Orinda Country Club 22nd - 23rd

Orinda Country Club will be the setting for a "Hole-in-One" competition September 22 and 23 for the benefit of the Children's Hospital of the East Bay.

Staffing the contest (including selling balls) will be the four members of the Manzanita Branch of the hospital — Mesdames Lawrence Collins, William Young, Joseph Downs and Robert Maddox, branch president — and Mrs. Charles J. Johnson of Oakland, who is a member of the Orinda Country Club.

The contest, to be conducted at the eighth hole, is one of a series of "Hole-in-One" competitions sponsored by Manzanita Branch as its major annual project in behalf of the hospital. Last Saturday and Sunday the setting was the Claremont Country Club. Tomorrow and Sunday it will be the Alameda, Chabot and Tilden Municipal Clubs. And on the 22nd and 23rd divot-swingers will do their stuff at the Orinda, Sequoyah and Mira Vista Country Clubs.

Hours for the event each place and date are 2 to 4 p. m.

Pro Pat Patten at Orinda Country Club is coaching Orinda hopefuls for the Orinda Country Club event, with two aims in mind — benefitting the Children's Hospital and helping the hopefuls win prizes being awarded.

Procedure (we're not so sure about accomplishment) is quite simple. A five-foot ring is drawn around the cup. Prizes are awarded to all who drive into the "charmed circle." And to those who make the hole in one, special prizes are given.

Starting in second gear is a practice of many drivers. It is not necessarily a bad practice but if it necessitates slipping the clutch it should be abandoned at once. The modern clutch bears a heavy enough burden as it is.

Autumn Fashions To Sparkle at 'Fiesta' on 29th

Barbara Farr, one of California's outstanding young fashion authorities, has been assigned to commentator's duties in the "Fiesta of Fashions" to be presented Saturday, September 29, at St. Mary's College, Moraga, by the Orinda Catholic Women's Club.

As coordinator of international travel for women passengers of Trans-World Airlines, Miss Farr is responsible for the planning of wardrobes suitable for wear, on all occasions, in the score of key cities within the United States and the dozen foreign countries served by TWA.

She has recently completed a whirlwind 18-day, 17,000 mile tour of nine countries, including Ireland England, Holland, Belgium, Switzerland, Italy, Portugal, France and Spain, where she gathered much of the material that will be incorporated in her colorful "Fashion Fiesta" commentary.

Miss Farr's appearance in the "Flights of Fashion" portion of the "Fiesta," featuring apparel from Hill N' Dale, Lad N' Lass, millinery from La Rome, and furs by Edward Bullwinkel, will be preceded by luncheon and augmented by the appearance of Senora Eva Villa's Spanish dancers, a troupe specializing in authentic native dances originated in remote villages of Spain.

Hill N' Dale displays will include the newest fall adaptations in fashions. And togs from Lad N' Lass will be worn by a quintet of child models.

Mrs. Robt. Winters, Two Daughters Return from East

Mrs. Robert C. Winters of 10 Bonita Lane, accompanied by daughters Anne and Christine, recently returned from a two months' vacation trip to the East.

While in the New York area, the Orindans were guests of Mr. and Mrs. Henry Brereton and their son, Robert, who is a concert pianist. The Brerétons live in Woodbridge, New Jersey.

NEXT STOP FOR the Orindans was at Brandeth Lake, near Saranac Lake, where they were guests at the Adirondacks lodge of General and Mrs. Fox Conner. They spent a month here, fishing, swimming, canoeing, hiking, rowing and having informal musicales.

Following a few days in New London, Conn., where they were guests of Rear Admiral and Mrs. T. B. Klakring, who entertained them at the Submarine Officers Club and at their home, the three went on to New York, where they spent the next four days visiting relatives in Forest Hills and Great Neck.

FLYING FROM NEW YORK to Norfolk, the travelers were met at the airport by the H. S. Ferebees, who were their hosts. While in Norfolk, they were extensively entertained with luncheons at Virginia Beach, Naval Air Station, dinners at the homes of old friends and a trip to Williamsburg, where they stayed to view the historical pageant, "The Common Glory."

From this jaunt, the trio flew back to Washington for a sightseeing tour and reunions with Navy friends, Captain and Mrs. Eckelmeyer and Captain and Mrs. Owen.

AN EIGHT-HOUR stopover in Chicago before entraining home on the Vista Dome on the last part of their journey, which was arranged by Worden's Travel Agency, gave Mrs. Winters and her daughters an opportunity to visit the Field Museum and the aquarium.

During the family's absence, their home was ocupied by Mr. and Mrs. C. Unnivehr, who have just moved into their new home on Tara Road.

Mrs. Winters, who is now getting ready for her fall piano teaching, said the whole summer was a "marvelous experience" but they were glad to be back.

Orinda, Lafayette Men at Chemistry Meeting in N. Y.

Attended by Lafayette and Orinda men, the World Chemical Conclave, now in progress in New York, is an event of unusual interest in the scientific world. It features the Diamond Jubilee Anniversary of the American Chemical Society, which was founded in 1876 by a mere handful of chemists and has since grown to some 66,000 members.

Many Bay Area chemists are attending. Thirty members of the Shell Development Company staff are at the conclave.

Those from Orinda are T. F. Bradley, 50 La Cuesta; G. K. Nelson, 98 Martha Road; F. Rust, 61 Van Ripper Lane; R. W. Tess, 3 Sycamore Road, and D. Winkler, 133 Lombardy Lane.

Those from Lafayette are G. W. Hearne, 761 Los Palos Drive; A. S. Lehmann, 3495 Moraga Blvd., who is tour leader for a group of foreign chemists from the Southwest Pacific area, and S. H. McAllister, Box 165, Las Huertas Road.

Christian Science Topic – Substance

"I know that, whatsoever God doeth, it shall be for ever: nothing can be put to it, nor any thing taken from it: and God doeth it, that men should fear before him. That which hath been is now; and that which is to be hath already been; and God requireth that which is past."

These verses from Ecclesiastes will be read next Sunday, September 16, in the Christian Science Lesson-Sermon on the subject "Substance." The correlative passages from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will include the following citation:

"The divine Principle, or Spirit, comprehends and expresses all, and all must therefore be as perfect as the divine Principle is perfect. Nothing is new to Spirit. Nothing can be novel to eternal Mind, the author of all things, who from all eternity knoweth His own ideas. Deity was satisfied with His work" (p. 518).

About Our Happy Country Folk

Happy Country—stdg .....

By EDITH BOLMAN

A WEEKEND A WHILE BACK at the Fred Bordens was gay in celebration for the Robert Welshes, visiting here from the East. Their old Orinda friends assembled for cocktails, buffet dinner and much conversation about what has happened to whom since when.

The following Sunday morning the men played golf. Shortly thereafter the Welshes had to leave, sooner than they had planned, because they had located an apartment in Chicago and it seems that if you are fortunate enough to locate an apartment in Chicago, you start moving in a hurry.

Dr. and Mrs. Bruce Anderson and children Caryn and Carl have been meandering over the countryside a good part of the summer. Laguna Beach, Santa Barbara and a cottage at Inverness for a month. However, it would be just as well not to discuss with them this little matter of the weather.

ON THE OFF CHANCE that you might not have already heard, the autumn season has commenced! Mothers of school age bratlets are well aware, club women also begin to feel autumn in the bustle of things starting.

For instance, the Orinda Garden Club had its first meeting of the season at Planters Dock last night, with Ned Rucker of Garden Show fame as speaker .Garden Club husbands were also there — for the purpose, no doubt, of providing inspiration to the strong-arm members of the family to get out and dig a bit.

Approximately 50 members of the Junior League assembled Wednesday morning at the home of Mrs. Bruce Anderson on Miner Road to discuss plans for the forthcoming season of Fashion Luncheons to be given at the Art and Garden Center in Walnut Creek.

Mrs. Stuart Hawley, Junior League president, started things going, in collaboration with Mrs. E. C. Counter, Jr., the major domo who so ably maneuvers the mannequins, the members, the moderator and the matrons and maidens who have come to see and eat, without getting anybody mixed up.

The members of the Children's Hospital met a while back for talking and eating and planning at the home of Mrs. Carl Dailey. They are up to some good, as usual.

MRS. TED BECKETT is back from a summer at Tahoe Pines, fairly bursting with excitement over having won second prize for low net score in the Tahoe City Golf course handicap tournament.

That's the thing about golf — it makes chattering flibbertogibbets out of ordinarily nice, quiet, civilized people.

The prize, a Ronson cigaret lighter, will be displayed in a prominent spot in the Beckett living room, no doubt, for all comers to admire and praise.

The golfer's husband, Mr. Beckett, wasn't doing too badly — he won a bottle of champagne, and Mr. Stanley Dollar won a step-ladder (we are absolutely unable to figure out what we would do about it if we ever won a step-ladder — of course we don't need to worry — we won't.)

AND NOW DOWN TO MORE sensible business. The Becketts entertained at cocktails for about 20 friends who happened to be at Tahoe, the local ones being the Milton Selbys, Clifford Johnsons, Edward Maloneys, Lowel Berrys, Stanley Dollars, Lieutenant and Mrs. Reynolds and Mrs. Carl Lindley.

Now they are all home again, and Ted Junior is off to Bellmarmine College Prep School and Riley to Saint Leos.

The general exodus starts soon for the older young to leave town for various school spots all over the country. Ann Fleager and Ann Yeager (euphony — eh what?) are headed for U. of California at Santa Barbara.

The University of California is getting the following freshmen: Jack Babcock, Roger Dunn, Jim Jacobus, Dodie Bee, Petie Bedard, Jack Stoffel, Tom Roemer, Don Cvictusa, Meade Milisich, Bob Wickman and Bob Winkenbach.

Chris Inman-Kane to Whitworth; Joan Marcella, Dominican; Laverne Durante, San Jose State; Carola Courtwright, Mills; Diana Graves, Scripps; Joey Pearson to Contra Costa Junior College.

Old hands returning to Cal: Joan Woolsey, Gay Bolman and Jeanne St. Hill.

More on this next week — could not track down some who are still on vacation.

MR. AND MRS. KING WILKIN and son Kim have just returned from a two-week visit with the Kilgos at their cabin on the Truckee River. They have all been very excited over the trip home of son Peter Wilkin (Pfc) who was expected to arrive on Wednesday for two weeks from Fort Campbell in Kentucky.

He has just completed two months of maneuvers in the big war games in North Carolina.

We suspect that grandmother, Mrs. Ira Wilkin, will be pretty happy to see Peter, too.

JUDY DUNN IS HOME after visiting Faye Davis at Carmel. What with parties and horseback rides, times were busy and fun.

The Harry Millmans have just moved into the Prifolds' house on El Patio.

Mrs. James Freeman and son Woody are just back from Europe. They were gone all summer vacation and went from Naples to Edinburgh and covered practically everything in between.

High spot for Woody was Zermatt, Switzerland, where he could get a good look at the Matterhorn.

Rosana was particularly intrigued with the "Gathering of the Clans" in Edinburgh. That was a new one on us — or have you heard 1000 bagpipes being played all at once? We asked how it sounded; the laconic answer was "Noisy" — anyway, it appears that representatives of all the clans gather for games and bagpipe tooting — dressed in clan tartans — and this year it was specially spectacular because of the Festival.

Coming home was a little harassing because they had to return twice because of plane trouble but finally arrived in New York. Then a visit in Nebraska, then home to Orinda, to become reacquainted with Jim, Jamie and Baby John.

Side note — Rosana told us that she had tried to call Mary Snow in Switzerland but missed her because Mary and the two children were on a vacation trip to Italy.

Joan Hedemark is leaving for Cheyenne to go into training to be an Air Lines stewardess.

That is all.

Bridge Luncheon

A series of bridge luncheons was planned the past two weeks to pass the last summer afternoons.

Mrs. Ralph Stocker of Moraga Highway entertained at cocktails and luncheon for Mesdames William Courtright, Joseph Downs, William Houston, William Keating, Norman Ketsdever, Robert Lyman and Alan Waddell.

This was closely followed by another luncheon at the Downs home on Sleepy Hollow Lane, with Mesdames Dan Carter, William Courtright, William Keating, Gordon Pray, Ralph Stocker, Alan Waddell and William Witter enjoying an afternoon of cards.

Mrs. William Courtright served a delicious lunch, followed by bridge, for Mesdames John Wasson, Alan Waddell, Ralph Stocker, Gordon Pray, Robert Lyman, Norman Ketsdever and Joseph Downs.

Two-Family Vacation

A two-family vacation was planned by the Berton Kohlers of Irving Lane and Dr. and Mrs. James Seaman of St. James Court, who together with daughters Terry Kohler and Janie Seaman and mothers Mesdames C. H. Kohler and James Cookson took off for a wonderful week's vacation at Lake Tahoe and Reno.

2 Families Vacation At Sun Valley Lodge

Mr. and Mrs. Charles Hoffman of Park Meadow Court and Mr. and Mrs. Ben McQuillan of Overhill Road have returned from vacation stays at Sun Valley Lodge and Stanley Basin, Idaho.

Mrs. Hoffman and Mrs. McQuillan joined their sister, Mrs. J. E. French, Jr., of Marin County at the Sun Valley resort, the parties later going on to the Frenches' summer ranch at Stanley Basin for 10-day stays.

From this latter headquarters the men in the party went on pack trips to Middle Fork to try their fishing skill on the Idaho trout.

Both families are newcomers to Orinda.

Labor Day Brunch

The Robert Boyles of St. James Court celebrated Labor Day in a most delightful manner. They invited 14 of their friends to share a late breakfast with them on their lovely patio.

Invited to brunch were Messrs. and Mesdames William Witter, Berton Kohler, Channing Kilburn, Joseph Downs, Ned de Laveaga and Robert Dashiell and Dr. and Mrs. James Seaman.

Hambergs Back

Mr. and Mrs. Nels Hamberg of Katrina Court have just returned from a week's stay at the Desert Inn, Las Vegas, Nevada.

135 Try for Don Teams; Opener at Alhambra September 21

The Acalanes gridiron was a scene of busy activity this week, with 135 gridiron candidates having shown up to try out for the Varsity, Junior Varsity and Frosh elevens.

Practice formally got under way September 4, with night practice taking place from 7 to 9 and continuing until day practices took over with the start of school last Monday.

FUNDAMENTAL DRILLS have been the order of the day with the Varsity doing a bit of advance work in preparation for their opener against Alhambra High at the Martinez field next Friday night, September 21, at 8 o'clock.

The J.V. squad goes into action a week later when they travel to Livermore for an afternoon game scheduled for 3:30 p.m. at the Livermore High Field.

The turnout of freshmen with the opening of school sent the candidate list to 135 and has kept coaches and managers busy.

THE VARSITY SQUAD has 40 members. The other candidates are working on the J.V. and frosh squads.

Each day finds players being shifted back and forth as coaches seek to find the right player for each spot.

THE TOP BACKFIELD at present finds an all-Senior aggregation, with Dick Fey in the quarterback slot.

Eric Murray is at fullback and Al Culp and Eddy Grueb hold forth in the halfback spots.

DARRELL CROSSMAN is looking better each time out and holds promise of cracking the starting lineup.

Ray Williamson is a top sophomore prospect at fullback, while Jack Ogden and Jack Ravazza are recent arrivals from the J.V. squad to make strong bids as halfbacks. George Fortado is another sophomore who appears to be a good prospect.

Bobby Westlund appears to be a good bet at the quarterback position, while Howard Andrews shows to advantage at right half, as does Jim Burns and Doug Cooper. All three are Seniors.

John Bowron, a Senior, leads the pack in the center slot, with two Juniors, Tim Daniels and Sharen Fenton, fighting it out for the number 2 pivot man position.

Hiram Bronson and Roger Owens, Seniors, are making a bid for backfield positions, with Bronson as a halfback and Owens as a quarterback.

IN THE LINE it's a tossup at several spots.

Seniors John Daniels, Art Siler and Roger Linn and a Junior, Jerry Henderson, in a battle at the end spots.

Seniors Bob Borghesani, Charley Ostrom and Richard Ting appear to have the edge at the tackle positions, along with Junior Joe Conley.

Senior Buzz Williams, last year's all-county selection, leads the race at right guard, with Junior Andy Monsen and Senior Jerry Price holding forth at left guard. Raymond Otto, a Junior, and Wayne Brannan, a Senior, are top contenders for left guard.

THE FIGHT FOR positions is a keen one, and workouts to date have been aggressive and spirited.

A full scrimmage under game conditions is set for today, and will go a long way to enable coaches to select squads and determine starting lineups.

The initial test comes next Friday night, September 21, when the referee blows his whistle on the Alhambra field, signifying the opening kickoff of the 1951 season for the Dons of Acalanes and the Bulldogs of Alhambra.

Scout' Program

Wing Scout Squadron 7, the Senior Girl Scout group for girls of senior high school age, is now able to extend its program to include more girls from neighboring areas.

Through the cooperation of the Central Contra Costa and Diablo Valley Area Girl Scout Councils, girls living in the following areas may join in the aviation, dramatic and social activities the Squadron has to offer:

Concord, Clayton, Clayton Valley, Port Chicago, Clyde, Pacheco, Bay Point, Morgan Territory, Pleasant Hill, Gregory Gardens, Walnut Creek, Lafayette, Orinda, Moraga, Canyon, Alamo, Danville and Ygnacio Valley.

Next Wednesday evening at 7:30, marks the official opening of the new Wing Scout season. Girls from these areas are invited to meet with present members at the Administration Building at Buchanan Field. Meetings are held regularly at the airfield on Wednesday evenings, 7:30 to 9:30.

Show Has Work By Local Artists

The Lafayette P.T.A. Westival Art Exhibit at Acalanes High School tomorrow will include more than 50 pictures by local artists, according to Donne Puckle, secretary-treasurer of the Mt. Diablo Art Association.

Francis Young of the Contra Costa Junior College Faculty, and Darwin Mussleman of the California College of Arts and Crafts were the judges in selecting the pictures for exhibition.

Among those exhibiting are Mrs. Natalie Woosley of Orinda, Mrs. Day Winter of Walnut Creek, Mrs. Jessie Thomason of Martinez, Mrs. E. A. Wright of Danville and Mrs. Janet Newton of Livermore.

There will also be an exhibit of ceramics. According to Eleanor Condon of Condon's Ceramic Studio, a number of pieces of first class exhibition quality have been submitted.

One or more of the members of the Mt. Diablo Art Association will be present at the exhibit at all times to answer questions about the activities of the art group.

Will you be killed tomorrow? Drive very carefully.

As Sweet Adelines Choral Director

The tantalizing tempo of tinkling tunes emanting from the Diablo Vista School on Boyd Road next Tuesday evening will announce that the Mt. Diablo Chapter of Sweet Adelines, a ladies "barbershop" group, is once more dispensing sweet tunes and holding regular practices.

The meeting will begin at 8 p.m. under the direction of Miss Vera Boyd. Miss Boyd is music instructor at Mt. Diablo High School.

All members are asked to note the time and start the new season off with a lot of harmony. Any woman in the area interested in "barber shop" singing and who can carry a tune is cordially invited to join the group.

There will be choral singing, and quartettes will be formed to appear at various civic functions throughout the entire area. One quartette, the "Conchordettes," appeared at the California State Fair on a talent night program, and it is hoped that the whole group will go on to bigger and better things during the coming year.

Don't forget the time and place. Ladies, let's sing!

GIVE ARM SIGNALS

Rear view mirrors have not eliminated the need for giving arm signals, reminds the National Automobile Club. Arm signals protect the motorist stopping or turning.

For 'Dirty Work Afoot' Melodrama

Joe Castro, president of Lafayette Playshop, announces that tickets for the forthcoming melodrama, "Dirty Work Afoot," are now available.

They may be obtained from members of the Playshop, or at the Town Hall on performance nights, which are September 28 and 29 and every Saturday in October.

CURTAIN TIME each night is 8:30. Plans for a September 27 opening have been dropped. So jot down Friday night, September 28, in your memo-book, as opening-night reminder.

The large cast for the melodrama and olio is being costumed in authentic "Buttons and Bows" styles of the "Gay Nineties."

THE MUSIC ALSO will be reminiscent of the days when "No, No a Thousand Times No" meant No and "She Was Poor but She Was Honest" was an honorable state.

As the cast of "Dirty Work Afoot" plunges into final weeks of rehearsal, it invites you to come to the Town Hall on one of the performance dates and boo and hiss the blackest of Villains and Villainesses so that Virtue and Honesty can once again triumph over all.

Don Team Looks Mighty Good—It'll Be Dark Horse in This Fall's Grid Play

By ERWIN MATTSON

THE 1950 VERSION OF FOOTBALL is about to make its appearance, and on the basis of what the squad has shown to date the Don eleven should win its share of games.

The team is far ahead of last year, when every hand was a green one. The display of squad spirit has been the best in a long time.

The season is a long one, runninig until Thanksgiving. Attitude will be more important than ever as the season progresses.

One of the surprising things was the turnout of frosh, with approximately half of the boys in the class showing for tryouts.

All frosh will be worked out together, with those showing the ability being moved up to Junior Varsity, while the rest will be given an opportunity to develop while learning fundamentals under the guidance of Coach Twining.

THE LARGE FROSH TURNOUT and evidence of enthusiasm and ability on their part argue well for the future.

All freshmen are kept for the season and no cuts are made, providing they attend practice regularly and take an active part.

THE COUNTY FOOTBALL PICTURE shows Pittsburg as the favorite, with Albany, Alhambra and Acalanes in the dark horse roles.

Antioch may surprise us, while John Swett looks to have one of its better elevens under Coach Fred Swain, who did a good job last season.

ALL COUNTY COACHES have been invited to a dinner and meeting of the Alhambra Alumni group at "Football Night" next Wednesday.

Coaches and assistants will be guests of the club and each will be given a chance to say a few words relative to his team's prospects.

THE COLLEGE GAMES get under way a week from tomorrow, and the Golden Bears of Berkeley way give promise of another banner year for the Blue and Gold.

A host of returning lettermen, plus a fine crop of frosh and transfers, is likely to give the Berkeley eleven its best yet and that's saying something, in view of their last three elevens going to the Rose Bowl.

Barred this year, due to recently enacted legislation, the Bears could well be the conference's number 1 team for the fourth year in a row.

A SHOW OF REAL interest is on tap at Acalanes High tomorrow when the annual Westival is held.

Growing with the years, it has become a real community event and has much to offer.

Its fame has spread far and wide and attracts many thousands.

Events are unique, and a day of fun is assured. A most worthy cause is added — raising funds for the Lafayette schools and for the Lafayette Community Center project.

It's an event you won't want to miss, and the time and money will be well spent.

80,000 Students Start School Term

Contra Costa County's public schools opened this week with approximately 80,000 boys and girls enrolled.

In the eastern sector of the county, the following enrollments were indicated:

Lafayette Grammar School District, 1850; Orinda Union Grammar School District, 1000; Walnut Creek Grammar School District, 2000; Acalanes High School, 1300; Alamo Grammar School District, 300; San Ramon Valley Union High School, 250; Danville Union Grammar School District, 700, and Mt. Diablo Unified School District, 11,000.

1st Aid Classes Start in October

The Mt. Diablo Chapter, American National Red Cross, will begin standard First Aid classes around the first of October.

Classes will be held in Orinda, Lafayette, Walnut Creek, Alamo and San Ramon.

Everyone interested should sign up for classes at the Red Cross Building in Walnut Creek or by calling W.C. 5817.

An Instructors Conference will be held September 24 at the new Red Cross Building, 1395 Ygnacio Avenue, Walnut Creek, at 7:30.

Two Women Honored At Home Gathering

Mrs. Robert McNeil of Danville was honoree recently at a stork shower given at the home of Mrs. O. W. Jones at 80 Moraga Boulevard. Mrs. Jones and Mrs. William Conover of Walnut Creek were co-hostesses for the party.

Also honored at the event was Mrs. Henry Altman, sister of Mrs. Jones visiting here from Idaho, and a close friend of the other honored guest.

Those present were Mrs. John Soukup of Lafayette and Mrs. Stewart McNeil of Danville, mother and mother-in-law, respectively, of the stork shower honoree: Mesdames Leo Coleman, Sr., Austin Whitaker, Leo Coleman, Jr., Arthur Hackwood, George Zurilgen, Stanley Sutton, Herbert Landis and the Misses Phyllis Stanley and Phyllis Peterson, all of Lafayette.

Taxpayers Group Maps Special Districts Plan

A county tax bill of approximately $20,000,000 which will be placed before the taxpayer in November will contain almost $12,000,000 of taxes voted by the public for schools and special services established and maintained by special districts, the Contra Costa County Taxpayers Association points out.

A study is under way by the association to prepare a model plan by which the officials of special districts may contract with the Board of Supervisors for trained budget review and thus have the opportunity to reduce costs.

South Berkeley Creamery Wins Three Fair Medals

Three Gold Medal Awards were won by South Berkeley Creamery at the California State Fair dairy products judging.

A gold medal was given for South Berkeley Standard Grade A Milk. Another was for the dairy's "Half and Half," and the third was for homogenized milk.

Women Realtors Meet on Monday

The Women's Division of the Contra Costa Real Estate Board will meet at Hal's Restaurant on Mt. Diablo Boulevard next Wednesday for their monthly meeting. Luncheon will be served and there will be a guest speaker, according to President Helen Haines.

Mildred Tinker of Walnut Creek, program chairman, announces there will be prizes awarded at the session.

Meet 'Ned' de Laveaga, Native Orindan

Have you ever met Edward L. de Laveaga? Descendant of early-day Orinda settlers; college man; family man; enthusiastic golfer, hunter and fisherman; fraternity and alumni groups member; service club and merchants group participant — to name but a few of his interests and activities that come to mind.

You probably know him more informally as "Ned." Yes, the same Ned who owns the new Chevron Service Station established at Orinda Crossroads in June of this year.

Of pioneer stock, Ned's grandfather bought 1000 acres of land in the area in 1870, where eventually Ned's father later developed Orinda Country Club and the golf course on a portion of the acreage.

A portion of the original property, on Bien Venida, which Ned interprets as meaning "welcome," is site of his present home.

NED IS A NATIVE of Orinda. Receiving his early education at the San Diego Army and Navy Military Academy, he went on to Sacramento Junior College and then to University of California, where he majored in economics in the College of Commerce.

While attending U. C., Ned had an afternoon job at the Standard Service Station almost obliquely across Mt. Diablo Boulevard from his present business location. At that time, from 1932 to 1936, the Standard Station and August Reuter's Crossroads Restaurant were the only commercial buildings there.

Ned, his wife, Alysone, who is a graduate of the University of Oregon and was his childhood sweetheart, together with four-year-old Constance and son David, aged two months, make their home on Bien Venida, a portion of the original family property.

A Phi Beta Kappa Fraternity member at the University of California, Ned is also affiliated with the California Bear Club and the Cal Alumni Association, as well as Orinda Rotary and Orinda Chamber of Commerce.

"I CERTAINLY HAVE seen Orinda grow," Ned responded to a query. "The business area is growing all the time, and we hope more will come in."

You've met "Ned" de Laveaga in this brief sketch. He is an Orindan, a friendly neighbor and an accommodating and ambitious businessman.

Troop 200 Holds 1st Season Meet, Takes Camp Trip

Orinda Boy Scout Troop 200 held its first meeting after the summer vacation Monday night at the Scout Hut. Troop 200 will now meet each Monday night at the Hut.

Five new boys have joined the troop: Walter Bumgarner, Arne Groennings, Dick Schrieber, Mike Sturman and Roger De Wolf. Mike Sturman is transferring to Troop 200 from Troop 17 at Menomonee Falls, Wis.

Mr. Frank De Wolf was welcomed by both the troop and the troop committee, most of the members of which were present Monday night, as a new assistant scoutmaster.

Plans were made for the overnight camping trip which Troop 200 will make to Laurel Dell on the northwest slope of Tamalpais tomorrow and Sunday. Scouts will gather with their equipment at the Scout Hut ready to leave at 8 a.m. tomorrow. Any boys who were not at Monday night's meeting and want to make the trip should immediately get in touch with their patrol leaders.

Board of Review will be held at the next meeting September 17, and Troop Court of Honor and Tenderfoot Investiture on the following Monday, September 24.

SAFETY HABITS

The window washer on a skyscraper may be killed if he violates one of the safety rules of his profession. Likewise the motorist may be fatally injured if he disobeys one of the rules of sound motoring

Yosemite Through Youngsters' Eyes

Mr. and Mrs. Henry Harris never enjoyed Yosemite Valley so much as they did on a recent three-day weekend when they saw it through the eyes of their two daughters, Becky and Hester, who were there for the first time.

The youngsters were thrilled with the beauty of the valley, the mountain hiking, horseback riding and, probably best of all, were the nature talks of the ranger. As a vacation climax, Becky and Hester were taken to the circus.

Camping Trip

Mr. and Mrs. A. W. Elkinton spent the Labor Day weekend camping one night on the coast at Pt. Arena on the Mendocino River and a second night where the Navarro River empties into the ocean.

With them were friends from Berkeley. The men folks did some fishing and the girls loafed and enjoyed hunting for unusual shells.

Year'll Be Busy For Cub Pack 52

Projects for the coming year for Cub Pack 52 were discussed at a meeting of the pack committee Monday night at Cubmaster Bill Ellermeyer's home. Committee members and den mothers participated in the discussion.

First project theme will be "Strong for America." This will tie in with plans for Orinda Arbor Day in October and with civil defense and safety in the home.

Regular pack meetings will be held the second Friday of each month, at 7:45 p.m. at Orinda School, starting October 12. Some of the dens started to meet this week; others will do so next week.

A table will be available at each pack meeting for display of individual projects. Every other month, den group projects will be exhibited.

Den 9 will be in charge of the October 12 meeting, and all dens are asked to bring their "doodles" (trophy poles).

Monthly meeting of the pack committee will be the Monday after the pack meeting. Next committee session will be held October 15. Harry Miner is committee chairman.

It is planned to take the Cubs to a couple of Cal football games this fall in Berkeley.

There are now eight dens (there is no Den 8, hence the Den 9), and indications are that a ninth den will be added in the near future.

Fall Schedule Starts at Orinda Community Church

This Sunday morning marks the Fall season shift of schedule at Orinda Community Church, with the Sunday School meeting for an opening rally program at 9:30, and the church service of worship moving to the 11 o'clock hour.

It is also to be the final service in the present church hall, which will become the fellowship center with the dedication September 23 of the new chapel.

The Rev. Fred Morrow's sermon subject on this occasion is announced as "The Art of Worship," in preparation for the church's first sanctuary.

Daniel Popovich, newly appointed organist of the congregation, will preside at the piano being used temporarily during moving of the memorial organ. C. Ray Fowler, youth assistant, has returned and will assist in the service. Helen Clark is the soloist of the day.

All grades from the third through the high school will participate in the rally assembly hour from 9:30 to 10:30 in the fellowship hall, with Everett D. Howe, superintendent, in charge. Class enrollment will follow.

Younger children are to take part in their own age-groups — nursery-kindergarten in the Mayflower room and primary in the Washington room of the Children's Unit.

BATTERY CARE

During hot weather your automobile battery water should be checked once a week for possible losses through evaporation. If the generator charging rate is too high, loss of water from the battery may become extremely high during long drives in hot weather.

Parade of Nations To Highlight Folk Dance Festival in City Park Sunday

Final details are complete and all in readiness for the gigantic Folk Dance Festival to be staged in the Walnut Creek City Park this Sunday afternoon and evening.

Committee chairmen reported progress of plans at last Friday's meeting of the Diablo Council of Folk Dance and Square Dance Clubs, sponsors of the event.

Thelma Selling, chairman of the committee on callers, announces the following would be available for square calling:

Homer Blincow, Danville; Carmen Doran, Alamo; Scotty McLeod, Berkeley; Bill Castner, Berkeley; Beverly Wilder, Walnut Creek; Harold Anderson, Oakland; Reva and Glenn Ward, El Cerrito; Randy Randolph, San Francisco and Clarence Crooks, Albany. All are well known callers, each with an individual characteristic style to provide a variety of figures for the dancers.

In addition to the squares, the program will include 27 round dances from 1:30 to 5:30 p.m., and 30 in the evening festival from 7 to 10 p.m.

Dancers in colorful costumes will perform authentic routines as danced today in Italy, Germany, Austria, Russia, Denmark, Sweden, England, Spain, Mexico, Argentina and other countries, according to Walter Rugh, publicity chairman.

Glenn Ward has arranged for exhibition dances by the following clubs: Acalanes Folk Dancers, Walnut Creek and Lafayette; Festival Work Shop, San Francisco; Jolly Reelers of Hayward, San Francisco Folk Arts and the Suburban Swingers of Walnut Creek.

In conjunction with the program, dinner will be served in the Recreation Center by women of the Episcopal Church from 5 to 7 p.m.

Official hostesses for the 10 Folk and Square Dance Clubs making up the Diablo Council will be the Walnut Festival Queen candidates.

Al Laven is general chairman of the regional folk dance this year. He announces there is no admission charge and everyone is welcome.

'Royal' Prizes Await Queen, 4 Princesses

Her Central Contra Costa County Majesty, the Homemaking Queen of Broadway - Walnut Creek's Grand Opening, will receive an array of prizes that could well be the envy of actual royalty.

The Queen's Court of four Princesses will also receive prizes fit for any palace.

DONATED BY THE 38 merchants of the $3,000,000 shopping center, the prizes and the naming of the Queen and Princesses will be features of the gala three-day festivities, tentatively set for November 1, 2 and 3, which will celebrate the center's opening.

What makes this contest especially interesting is the fact that all young mothers of this area are eligible for the honors. The woman selected as the outstanding young mother of Central Contra Costa will be named Queen, to rule over the Grand Opening, and four other young mothers will be chosen as Princesses, to assist the Queen.

ENTRANTS MUST BE not over 35 as of October 10, 1951, and will be judged on the basis of appearance, personality and recipe for a two-egg cake, which will have to be baked.

The Walnut Creek Sun, Lafayette Sun and Orinda Sun will each name its own Queen candidate, from its area. In order to enter the contest, just fill out the entry form and bring or send it to the Sun.

The paper's candidate will be announced October 4; final selection of the Queen and four Princesses will be made by Judges Anne Truax, John Grant and Mel D. Marshall on October 10.

Moraga Phones To Be 'Drake 6'

Moraga telephone numbers will be changed this fall to include the prefix Drake 6.

In making the announcement, H. C. Greenhalgh, Pacific Telephone manager, said that the new prefix would become effective for all telephones coincident with the completion of a project to enlarge the capacity of the Moraga telephone office.

COSTING APPROXIMATELY $5000, the addition to the central office facilities will permit connecting telephones for about 75 new subscribers.

Coincident with the change in Moraga numbers, direct dialing by subscribers of calls to Moraga from East Bay telephones having Moraga in their local service area will be established.

EAST BAY TELEPHONES from which subscribers will be able to dial Moraga numbers direct include those with Andover 1, Glencourt 1, Glencourt 2, Kellog 2, Kellog 3, Kellog 4, Kellog 6, Highgate 4, Olympic 2 Olympic 3, Templebar 2, Templebar 4, Templebar 5, Templebar 6 and Twinoaks 3 numbers.

Nationwide direct dialing of long distance calls by operators to Moraga telephones will be placed in operation at the same time.

Addition of the prefix Drake 6 to Moraga telephone numbers will place that community on the metropolitan numbering plan now used in East Bay, Hayward, Richmond, San Francisco and many other Bay Area communities.

Servicemen Need Books and Cards

Mt. Diablo Red Cross Chapter is again asking for new or used paper-bound pocket-size books and playing cards.

These items are urgently needed for the servicemen en route overseas to the Far East and for those aboard hospital ships on the Pacific. The troop replacement program and the continuing character of troop movements make the need a critical one.

Anyone who has books or cards may leave them at the Mt. Diablo Chapter House, 1607 Locust Street, Walnut Creek. If there is a large quantity and transportation is needed, please call the chapter house, WC 5817, so arrangements can be made to have these articles picked up.

Spring Concert, October Party on Choral Schedule

Following the summer vacation, Diablo Valley Choral held its first meeting last week at the home of its president, Mrs. Philip Fletcher, 15 Grand View Place.

A tentative program for next spring's concert, based generally on selections from old and new musical comedies, was suggested by Nancy Pauline Turner, director, and the music committee. Rehearsals were begun following this decision.

Mrs. George Hoffschneider was appointed general chairman of a card party to be given in the Walnut Creek Women's Club on October 25 as one of the group's activities.

Luncheon was served by Mrs. Fletcher, Mrs. Walter Gray and Mrs. George Cadwell.

A trip through the tunnel to do your shopping costs you at least $2.75 in additional expenses. Shop at home for service and savings.

H.S. Faculties Have Tilden Park Outing

The faculties of the Acalanes and Las Lomas High Schools and their families enjoyed a pre-school get-together September 6 at Tilden Park.

This is an annual affair, and it serves to acquaint the new teachers with the old, and the families with one another.

Mrs. Robert Stevens planned the affair, which include a picnic supper and some enthusiastic baseball and volleyball games before and after.

Keith of Lafayette, recently greeted his wife, Mada, and children, Nancy and Ben, when they arrived at Pearl Harbor aboard the Navy flying boat Mars. Colonel McGill, a graduate of the University of California, is on duty at Pearl Harbor with the G-4 Section of Headquarters, Fleet Marine Force, Pacific.

Auctioneers' Call, Smooth Dance Tunes—All Sweet Westival Music

Who can resist the call of the auctioneer? Especially when there are two such illustrious callers as Jack Schneider and Mel Nielsen.

They will be offering numerous choice items for the auction block at the Westival tomorrow, thanks to donations from cooperative Lafayette merchants.

There will be two sessions. The times will be 3:30 p.m. and 8:30 p.m., with Mrs. Mel Nielsen in charge.

As this will be a Dutch auction, it means fun participation for all and a two-way opportunity to take home a good buy and to invest in your schools and community at the same time.

"TO SEE ONESELF as others see you" — that is your opportunity with four caricature artists on hand. They will use drawing pen or heavy crayon as their medium, and the charge will be $1.

Mrs. Pat Rinne has obtained their services through Mrs. Williams of the College of Arts and Crafts in Oakland. The artist in charge will be Rapheal Arellano.

HAVE YOU A CURIOSITY about your future? Then here will be an interesting way to satisfy it.

Just cross the gypsy lady's palm with silver, and Mrs. C. Rafael and Mrs. Alla Seulberger, who will assume the roles of prophets, will peer into the misty future.

THERE WILL BE BALLOONS galore for the small fry, according to Mr. and Mrs. Dave Loofburrow, who are taking charge of this item for the big day.

Colorful garnishing of the booths with flag materials and ribbons is being done by Mrs. Paul Paduck.

GUYS AND DOLLS will wind up the evening from 9 p.m. to midnight by tripping the light fantastic to the sweet tunes of Sid Le Protti and his Shadows. Charlie Weber will carry on during intermission with his band. It is a bargain rate at $1 per couple for the evening, or 10 cents per dance.

So bring your favorite gal or your better half to the Acalanes High School Cafeteria for a serving of smooth dance music on Westival Night tomorrow night!

Acalanes Parents Hold 1st Meeting On Monday Night

First assembly of the Acalanes Parents Club is scheduled for Monday evening at 8 in the Acalanes High School cafeteria. Mrs. R. C. McBride, Jr., president, will preside.

A most sincere invitation to attend is extended to all parents of students enrolled at Acalanes. The program chairman, Fred Knobel, has arranged a special get-acquainted meeting, at which all the faculty and board members will be presented.

Mrs. Paul Johansen, membership chairman, and her committee welcome anyone who would like to join the club at this time.

Refreshments will be served under supervision of Mrs. Lance Barden, hospitality chairman. Mrs. William Mott, reception chairman, and the executive board will be hostesses for the evening.

Jewish Women's Tea on Wednes.

The executive board of the League of Jewish Women will be hostesses to the membership at a social tea next Wednesday afternoon.

To be held in the Walnut Creek Women's Club building, the tea will follow a short business meeting which will start at 1 p.m. instead of 2 as heretofore.

Cap Sandford Sez:

I HAD THE GOOD FORTUNE to be invited to a friend's home to view a session of the delegates to the Japanese Peace Treaty Conference in San Francisco's War Memorial Opera House. All of this through the miracle medium of Television.

I saw Gromyko and his buddies stage their phoney walkout; the boys reminded me somewhat of a small group of prisoners slouching from the "Black Maria" to the jail under the watchful eyes of the cops. The act generally seemed to me to be completely out of step with everything else happening in that solemn, dignified gathering of distinguished international statesmen. As I watched Gromyko's vituperative, futile, puerile posings I could not help but think of the awful flailing the Japanese gave the Russians both on land and sea when they fought it out some years ago. What a contrast between Gromyko and the stately dignity of Premier Yoshida, who fascinated me by his expert manipulation of the rolls of paper from which he read his speech.

THE INTERPRETERS OF ALL SPEECHES except the Russians did a most superb job of interpreting and made it very easy for all listeners to understand thoroughly just what was going on. Believe it or not, we the American people have carelessly allowed insidious Red propaganda to bore into the very core of our national institutions and into the very souls of a considerable percentage of our citizens. I was absolutely astonished when I heard someone say that Gromyko had been refused a right to speak what utter rubbish he was allowed to rave his fool head off about, and he sure did so in no uncertain fashion.

I think that I shall dash over to Moscow and barge in on some of Joe Stalin's private treaty signing palavers and endeavor to put them on the fritz, and yet I don't think I will either — I feel a trifle tired or lame in the off hind hoof.

Perhaps this persistent driving of the poisoned harpoon into the brisket of our nation will ultimately arouse us to the awful ultimate if protective steps are not properly taken very soon. Do you think that the men who signed our Declaration of Independence would dash madly about yelping "We are scared stiff of the Soviet Union, we are totally unprepared to meet an enemy at this time," if they were alive today and were confronted by similar circumstances?

How many of our present government officials do you think would sincerely exclaim "Give me liberty or give me death?"

LET US LOOK AT THE SITUATION THIS WAY . . . a bunch of loud-mouthed political boobs keep stirring up trouble . . . heap big international trouble, and when things get entirely out of hand they send out millions of harmless, inoffensive young men to try and tidy things up. Many of these poor fellows are killed and maimed, and about the time a victory seems to be in sight the so-called politicians arrive and begin to interfere and again completely spoil the whole disihi . . . then they try to do what the soldiers almost had done. But they have neither the nerve nor the guts to do the job well, and so on and on ad infinitum.

Nuts, sez I, and I mean Brazil nuts. I'll be seein' ye.

Buzz - Buzz At Acalanes

By PAT MILES

SCHOOL HAS BEEN HERE for almost a week now, and everyone is settling down for the year ahead.

In case you're new to Acalanes we all extend a hardy welcome!

Also, I'd like to explain just what Buzz Buzz is all about. It's a weekly column appearing in the Lafayette **SUN**, all about and just for the 'teens of Acalanes who live in Lafayette. I try to tell you what everyone is doing in everything except sports.

NOW FOR A SUMMARY of the summer activities of some of you kids.

Bob Mailo has spent two weeks traveling all over six western states and Canada. Bob particularly liked the races at the Bonneville Salt Flats near Salt Lake City, Utah.

Jack Bickerdike spent his summer running a bulldozer for a housing project near Concord.

Nancy Carlson divided three weeks at Tahoe between El Dorado Camp and Crocker Cabins near Bijou. She had a fine time.

Four girls, Jayne Kirk, Kay Davis, Charlotte Ferrell and Nancy Carlson, with Mrs. Ferrell, spent a week at Boulder Creek in the Santa Cruz Mountains.

Jerry Combs spent his summer at Zephyr Cove, Lake Tahoe and Long Beach.

A fishing trip was enjoyed by Bob Carlson and Jack Luedemann — who knows where?

Don Cowden had a good time visiting his uncle's ranch in Nevada. Lucky fellow!

Delbert Allison visited the Nevada side of Lake Tahoe.

I'M RUNNING OUT of time now, so I'll sign off for this week, but look for me next week with more of the same.

Don't forget the dance tonight! It's sure to be a grand one.

Robertson Recommends Mass Immunization

Mass immunization against diseases prevalent during natural and war-caused disasters is advocated as a civil defense precaution by Major General Walter M. Robertson, state director of civil defense.

"Local civil defense medical divisions in many areas of the state have instituted successful mass immunization programs," he said.

Eight Reported In Two Crashes Along Highway

Robert Adams, 28, of 3434 Freeman Road, Sun Valley, and his five-year-old son, Robert Adams, Jr., sustained minor injuries in an auto accident last Saturday night on Mt. Diablo Boulevard a short distance east of Moraga Road.

The east-bound car driven by Adams bumped into the rear of one driven by Ralph Alspaw, 22, of Courtland, according to the California Highway Patrol. They were treated at home by Dr. William W. Ornduff.

Adams had a cut over his left eye, and the boy had multiple bruises on his face and chest, Dr. Ornduff reported.

SIX PERSONS were injured in a two-car collision Sunday evening on Mt. Diablo Boulevard and Acalanes Road, the patrol reported.

They were Eddie Nordberg, 58, of 458 Acalanes Road, Lafayette, a passenger in a car driven by Grace Long, 50, of El Cerrito; Grace Long; Charles Naumann, 27, of Winton, driver of the other car, and three of his passengers — Eva Naumann, 31; Mrs. Rolland Goodheart, 37, and Mrs. Goodheart's seven-year-old daughter, Joan, all of Winton.

All the injured were taken to Herrick Memorial Hospital in Berkeley except Grace Long, who, according to the Highway Patrol, was taken to her own physician.

Hospital attendants yesterday reported that all except Mrs. Goodheart had been released after treatment, mostly for cuts and abrasions on the face, although they said that x-rays of Eva Naumann showed her to have no injuries.

MRS. GOODHEART was still in the hospital, complaining of a nervous headache. She said she hoped to go home tomorrow. She had been seated in the front of the car and was thrown against the windshield. The impact shattered her spectacles.

Her daughter had been in the rear of the car with Mr. Goodheart. The girl's injuries consisted mainly of abrasions.

The accident was a broadside--right angle collision. Grace Long was driving west, while Naumann was driving east.

Cars driven by Robert Buchanan, 36, of Martinez and Frank Pasisanders, 68, of Walnut Creek, were involved in a no-injury sideswipe collision the night of September 6 on Mt. Diablo Boulevard, less than half a mile east of Upper Happy Valley Road.

Lafayette Firms Get Subcontracts For School Job

Work on the $264,590 expansion of the Lafayette Grammar School plant was reported clicking along this week by Superintendent of Schools W. B. Ellis. Completion is expected by February or March of 1952.

Contractor on the job, which will include several new classrooms is Marvin Collins of El Cerrito.

Two local firms have been awarded subcontracts. They are Lescure Company, which is installing the plumbing, and Samuel Hubbard Company, which is doing the paving.

Schmidts and Hardman of Berkeley is the architectural firm which drew the plans for the project.

Business Session For BPW Monday

Lafayette Business and Professional Women's Club will hold an important business session at Hal's Restaurant Monday night, according to Mrs. Helen Haines, president.

The meeting starts at 7:30 p.m. Coffee and dessert will be served at the conclusion of the business agenda. All members and prospective members are asked to attend.

Donors Thanked For Aid to Vets

Mrs. Margaret Bainbridge this week expressed thanks to the persons who have donated wool yarn for her project of making afghans for disabled veterans.

"I appreciate the cooperation of these people, and I enjoy doing the work," the 71-year-old mother of Mrs. Don Blackwood said.

Mrs. Bainoridge uses donations of old or new yarns (in old hand-knitted sweaters or socks or in new left-over scraps) and yarns which she takes from her own scrapbox. Knit garments donated are cleaned free of charge by Gaston's Cleaners.

Mrs. Bainbridge emphasized that donations may still be left at the Dime and Dollar Store and the Ben Franklin Store, where samples of her handiwork are on display.

Buy Home Now, Lawrie Advises

There is no end to the inflationary spiral in sight, and with a strong building material control October 1, now is a very good time to buy a home declares Donald J. Lawrie, president of the General Contractors Association of Contra Costa County, Inc.

The building executive said the trend of wages, taxes and material costs was upward and predicted that with the Controlled Materials Plan, which will limit metals, going into effect October 1, the overall cost picture within six months will show a decided increase.

Close Architecture and Children's Art Entries for Festival Exhibit

Architecture particularly suited to life and activities of Contra Costa County will play an important part in the Outdoor Art Show to be held September 20, 21, 22 and 23 in connection with the Walnut Festival in Walnut Creek.

Scale models, photographs, drawings and plans will be included in the exhibit arranged by Architect Floyd Comstock with the assistance of Architects Harold Hansen and Carl Kolbeck.

Of special interest to home owners and planners will be a detailed display showing what a client may expect when arranging for architectural services.

Today is the final day exhibitors may submit entries, according to Exhibit Chairman Comstock. The same holds true for entries in the Children's Exhibit. Young exhibitors should have their art entries handed in at their respective schools today, according to Mrs. Peter Howard.

Judging will take place tomorrow by the following artists:

Philomena Goldsworthy, supervisor of art in San Jose schools; Irma Middup, Alameda County art superintendent, and Darwin Musselman, professor of children's art at the California College of Arts and Crafts.

7 Grass Fires Keep F. D. Busy

Seven grass fires over the seven-day period beginning September 6 have kept Lafayette Fire Department on the go. Total area burned is about five acres, according to the estimate of Lafayette Fire Chief Shirley Peakes.

September 6, about half way up Oak Hill Road, fire left without its being completely extinguished. September 7, Valley View Estates off Laurel, cause unknown.

September 7, El Curtola, boys playing with matches. September 8, Hamlin Drive and Sweet Drive, improper incinerator.

September 9, Oak Hill Road, improper incinerator. September 9, Mt. Diablo Boulevard near Charles Hill Road, cause unknown. September 11, Oak Flat Road in Charles Hill area, cause unknown.

No homes were endangered by the fires.

Will you be killed tomorrow? Drive very carefully.

Michaelangelo Real Pal to Joe Connor

Michelangelo's sculpture is helping Joseph Connor of 3898 Happy Valley Road toward complete recovery, thank you.

Connor recently spent a week at Providence Hospital in Oakland, where he underwent major surgery — an emergency operation — performed by Dr. Joseph Vizzard.

He's been home since August 24, is getting along O.K. and has been gradually increasing his daily stint as account executive for an Oakland advertising agency.

Michelangelo? Well, Connor's hobby is sculpting (he had a piece on display at the Walnut Festival last year), and the National Broadcasting Company, one of Connor's clients, presented him, when he came back from the hospital, with a beautiful book of photos of Michelangelo's sculpture.

TWO E. B. M. U. D. JOBS

Two civil service opportunities are announced by the East Bay Municipal Utility District. Examinations will be held September 28 for the positions of adjustor, at a beginning salary of $293, and serviceman, at a beginning salary of $276. Applications will be accepted until next Tuesday.
